Opis produktu

Black vinyl limited to 300 copies

Grim kommandants EXHUMATION unveils a terror-storm of feral Death Metal obfuscation with “Eleventh Formulae”. A harvest that was six years in the making, “Eleventh Formulae” displays a stronghold of fearless innovation, at times breaching into uncharted territories with wild abandon but planned in calculated precision.

With “Eleventh Formulae” once again engineered under the helm of Devid Salasughi and art illustrations by B. Mors, EXHUMATION is undoubtably becoming one of the few formidable forces in nihilistic Death Metal.
