Opis produktu

Fourth Press

3162 x Electric Blue and Blood Red Quad Effect with Red, White and Black Splatter Standard Gram

21 years since their murderous debut, **EXHUMED** rise once again with gore-obsessed death metal on their new brand new album - *Horror*. Aptly titled, *Horror* is an exploration of all things macabre, as the undisputed pioneers of neck-breaking riffs plow through 15 of the band's most intense tracks to date. Nightmares meet shred, as the speed-inducing track "Ravenous Cadavers" highlight **EXHUMED**'s penchant for blazing, face melting guitar work, while "Naked, Screaming and Covered in Blood" & "Playing With Fear" elevate **EXHUMED** to levels of grind unheard of since 'Gore Metal'!
