Opis produktu

Long Island metal vets EXTINCTION A.D. bring a ferocious live show and light speed riffs with 'Chaos, Collusion, Carnage and Propaganda'. Thrash meets Hardcore meets pulverising groove with this ferocious hybrid offering. Rick Jimenez, Tom Wood, and Mike Sciulara and Ian Cimaglia bring a fresh spin to the Metalcore sound by going back to its roots, harking the likes of Biohazard, Forbidden, Arkangel & Sepultura (check the cover of their classic 'Propaganda'!) The “question everything” approach of the band's lyrics combined with their unmatched raw live energy and precision approach to classic thrash metal, has elevated them to a whole new level. Since their 2013 formation, XAD have been touring steadily throughout North America & The United Kingdom, as seen with Obituary, Suicidal Tendencies, Thy Art Is Murder, Havok, Municipal Waste, Testament, Harm's Way, Exodus, Kvelertak, and many more...Their sophomore full length Decimation Treaty was recorded and mixed by Joe Cincotta (Suffocation, Obituary) and mastered by Brad Boatright (Iron Reagan, Converge, Obituary). 2022 approaches with a new album coming soon - in the meantime, CCCP is your taster of the kick in the teeth to come!
