Opis produktu

Epic and evil, Father Befouled instill fear upon the Christian scourge with “Morbid Destitution of Covenant”.

A haunting mixture of Incantation inspired blasphemy and brutality, this release is sure to invoke the goat like none before! Fifteen years later, the abyssal weight of “Morbid Destitution of Covenant” still crushes as relentlessly as it did upon release.

A monolithic ode to cavernous Death Metal, this landmark album cemented Father Befouled as modern heirs to the Incantation-drenched legacy of bleakness and rot. Father Befouled delivers raw yet calculated suffocating riffs, funeral-paced atmosphere, and an overwhelming sense of decay!

The vinyl edition of this album is long sold out, so here we are!

• Finally available again on vinyl in 15 years
• Father Befouled has played many festivals like Maryland Deathfest, Metal Threat Fest, Netherlands Deathfest and many more!
• Originally released by Relapse Records in 2010
• As featured in Decibel Magazine’s Top 40 Albums of 2010, praised for its harrowing atmosphere and unflinching devotion to the roots of Death Metal!
