Opis produktu

Previous released on cassette limited to 92 copies and instantly sold out, Flame Acausal exploits Swedish bestiality that channeling nothing but crystal hatred and infinite darkness, musically this recording is a manifestation of savage bastard of OLD Katharsis, OLD Bestial Mockery and MIGHTY Nifelheim. GoatowaRex found this recording is too good to remain on a obscure hand made tape, therefore here you have, a immortalized vinyl version with enhanced artwork, full color jacket, OBI, insert and a poster, limited to one time press 200 copies, on BLACK FUCKING VINYL!
