FLUISTERAARS Luwte JEWEL CASE [CD]

Cena	52,90 zł
Dostępność	Dostępny
Czas wysyłki	5 dni
Producent	Eisenwald Prod.

Opis produktu

Classic Jewelcase CD with black tray, fold-out poster booklet incl. lyrics. Comes with designed download card for the digital album.

Blending the welcoming, epic affair of their debut album "Dromers", with more harsh and biting effort's more reminiscent of 90s black metal, Luwte captures the band from a slightly different, yet none less qualitative angle. While the band had already shown their effective vigor with time stretching melodic and edgy grandeur, this second album is very much the more ferocious finished extension to it. An unpolished yet elaborate production with final mastering duties taken over by Patrick W. Engel at TEMPLE OF DISHARMONY perfectly suits the dynamic, intelligent nature of the music.

Tracklist:
De Laatste Verademing
Angstvrees
Stille Wateren
Alles Dat Niets Omvat
