### Opis produktu

Gatefold 12" LP

**FORHIST** is the latest incarnation of Vindsval, the faceless entity behind the legendary **BLUT AUS NORD**. Inspired by the '90s Norwegian Black Metal scene, **FORHIST** is purely a raw, intimate and poetic Black Metal act: a solitary walk in deep woods, a haunted dreamworld which exposes the roots of one of the most anomalous protagonists in Black Metal's history with entrancing cohesion.

*Comes with a download card. Pressed on black heavy vinyl.*
