Opis produktu

Transparent pink 12" vinyl (33 rpm) in gatefold sleeve. Striclty limited to 200 copies worldwide.

The word "foscor" translates as "darkness" in the band's native Catalan tongue, which Barcelona's FOSCOR often uses for their lyrics as a distinctive element and strong connection with their cultural reality. The band is attracted to and build upon these foundations, while taking inspiration from the morbid, decadent, and sick reflections on a rapidly changing society that shaped the artistic landscape at the end of the nineteenth century. The year 2019 promises to be as tragic as their music claims with the release of 'Els Sepulcres Blancs'!
