Opis produktu

Me Saco Un Ojo Records and Extremely Rotten Productions are proud to announce the first release from Fosse Septique... Prepare for total pustulant grinding madness!

From the twisted mind of Ugur, previously of Septage, comes Fosse Septique. Gnarly fetid riffing, popping drum barbarity, chiming cymbal chaos and gurgling vomitous snarls... This is the basis of Fosse Septique’s sound which is an assault of malevolent savagery. 6 songs span 8 minutes of the most furiously disgusting music you will have the pleasure of being violated by. So stop reading and get ready for the mouldy masterpiece that will corrupt your flesh with gurgling necrosis.
