Opis produktu

CD with bonus track "The Swansong of My Heart" (demo version) in Digipak with 12-page booklet

Season of Mist is now reissuing FUNERAL’s ‘To Mourn Is a Virtue,’ which was originally released in 2011.
This release is the missing link between the band’s seminal albums, ‘Tragedies’ (1995) and ‘In Fields of Pestilent Grief’ (2002).
This compilation album contains a wealth of unreleased demo-recordings as well as nine rare tracks that had been recorded between 1996 and 2004 and remastered in 2010.

For fans of EVOKEN, AHAB, MOURNING BELOVETH.
