### Opis produktu

CD with bonus tracks "Taarene live 95" and "From Beyond the Endless Black Sea" in deluxe Digipak and 12-page booklet.

Originally released in 1995, 'Tragedies' broke boundaries as FUNERAL was among the first and only bands of their genre to recruit a female vocalist, which inspired many of their successors to do the same. This piece of doom metal history will now be available again after being long out of print!

For fans of EVOKEN, AHAB, MOURNING BELOVETH.  
Cover art by Thomas Angell.
