Opis produktu

We are honored to repress Norway's FUNERAL debut work "Tristesse". Having originally released as a demo in 1993 and then as a MCD on Wild Rags Records in 1994, their debut masterpiece helped forge the "Funeral Doom" genre as we know it.

The LP jacket will feature the original Titien's "Entombment" cover art and layout from the wild rags CD as well as new extensive liner notes by Anders Eek and Olivier 'Zoltar' Badin, classic interviews, flyers and unpublished band photos. 150 on Oxblood vinyl!
