Opis produktu

Conceptual death metal in a both melodic, thrashing and gothic setting. What if Paradise Lost, Deceased and any Swedish death metal band of choice came together for a full on story telling album? Well then you'd have FURNACE's "Dark Vistas". Comprised of members from Paganizer, Demiurg and Assassins Blade aswell as Cult of the Fox and Void Moon this Swedish outfit explores a new melodic death metal vista of sorts. Its still death metal but its also much more, delve deep into the Lovecraftian and cult riddled mythos of FURNACE with "Dark Vistas".
