Opis produktu

Black 12" vinyl (33 rpm) in deluxe gatefold with gloss lamination.
First pressing: 900 copies worldwide.

Carved from the cold marrow of Norway’s enigmatic and revered black metal scene, GAAHLS WYRD conjure a spellbinding fusion of chaos and beauty. Under the commanding presence of Kristian “Gaahl” Espedal, the band carve a sweeping saga of sound - both primal and transcended.
With ‘Braiding the Stories’, GAAHLS WYRD embark on an alchemical journey through the realms of consciousness and dreams, crafting a sonic narrative that explores the seamless dance between the seen and the unseen. Each track is a profound exploration of reality's veils, crystallizing the ephemeral through the powerful conjunction of philosophical introspection and audacious musical composition. From the haunting echoes of "The Dream Master" to the ethereal resonance of "Flowing Starlight," the album invites the listener to traverse its labyrinthine soundscapes - a place where reflective melodies intersect with visceral power. In this realm, GAAHLS WYRD channels raw lyrical introspection and potent sonic prowess, guided by the adept hands of Ole "Lust Kilman" Walaunet, Andreas "Nekroman" Salbu, and Kevin "Spektre" Kvåle.
At the heart of the album lies a journey of self-discovery, one that resonates with the timeless voice of Gaahl, inviting listeners to not merely hear, but to experience, to reflect, and transcend.

For fans of MAYHEM, WARDRUNA, GORGOROTH, ENSLAVED.
