Opis produktu

Black 12" vinyl in deluxe gatefold (with soft touch matt laminate).
First pressing 600 copies worldwide.

'Unsettling Whispers', the first full-length effort from GAEREA, was a massive step forward for the young band upon its 2018 release.
On it they shaped and sharpened their attack into an onslaught replete with intense, soul-searing peaks and heart-rending valleys.
In many ways, 'Unsettling Whispers' is the realization of the cathartic black metal that has become their forte, and that they continue to hone to epic new heights.

For fans of UADA, NUMENOREAN, THE GREAT OLD ONES, SVARTIDAUDI.
Artwork by Khaos Diktator Design.
