Medieval Prophecy Records

Opis produktu

POZYCJA POWINNA BYĆ DOSTĘPNA NA POCZĄTKU CZERWCA !!!

For a moment, MPR has been digging into the USBM underground scene to bring you the best and most sincere bands. This album makes no exception. Forget the legions of bedroom joke bands. This is true Black Metal!
After releasing the CD version a few months ago (which is already sold out), the vinyl version is now available.
