Opis produktu

Gehenna (NOR) - Malice (Our Third Spell)

Malice (Our Third Spell), unleashed upon the masses in 1996, is GEHENNA`'s second album and marks the end of the first legendary era of the band.

On the one hand, it`s on *Malice (Our Third Spell)* that both keyboardist Sarcana and drummer Dirge Rep made their last appearance on an album of GEHENNA. On the other hand, *Malice (Our Third Spell)* can be considered the last pure Black Metal album of GEHENNA since the successors saw the band shifting towards a more Death Metal oriented sound.

In general, *Malice (Our Third Spell)* is a logical continuation of the previous full-length and with its playing time of almost 60 minutes by far the longest album the band has ever released.

The most notable difference compared to *Seen Through The Veils Of Darkness* is the introduction of numerous riffs that have a traditional Heavy- or Thrash Metal feel to them making *Malice (Our Third Spell)* comparable to e.g. *Enthroned Darkness Triumphant* by DIMMU BORGIR.

The songs were completely new remastered by Patrick W. Engel at the Temple of Disharmony to ensure the best possible sound for this timeless Black Metal classic.

This release will include a huge 20-page 12" booklet including an in-depth interview (divided into 4 parts, this is part 4) with all 5 original bandmembers and many never seen before pictures.
