Opis produktu

Gehenna (NOR) – Seen Through The Veils Of Darkness (The Second Spell)

Seen Through The Veils Of Darkness (2nd Spell) is GEHENNA`s first full-length album which was originally released in 1995. They kept their characteristic sound intact, yet stepped each and every element of their sound up a notch or two. The highly melodic sound which has over the years become one of the band`s trademarks, presents itself refined with subtle details. For the first time, GEHENNA dare to incorporate fast-paced passages into their songs too.
Considering the high compositional level of the album, one is simply awe-struck by the band`s enormous development within only 2 years since GEHENNA`s inception.
Seen Through The Veils Of Darkness (2nd Spell) is a symphonic Black Metal masterpiece and a highlight of the genre.

The songs were completely new remastered by Patrick W. Engel at the Temple of Disharmony to ensure the best possible sound for this timeless Black Metal classic.

This release will include a huge 20-page 12” booklet including an in-depth interview (divided into 4 parts, this is part 3) with all 5 original bandmembers and many never seen before pictures.
An A2 poster will be added to every vinyl too and a download-code.
