Opis produktu

After "Black Metal Supremacy" (2002) and "Anthems of Mass Massacre" (2022), the nihilist prophets GENOCIDE KOMMANDO are back with "Third World War"!
With hatred and powerful consistency, this new opus is a new anthem devoted to anti-human themes!

Don't expect anything but the violent music and aesthetics mating of War and Satanism!!

CD jewel case with a 8 page booklet 145g, sealed.
