Producent	Osmose Prod.

Opis produktu

Compared to the sheer brutality of 'Angrep', 'I utakt med verden' is quite the opposite.

If Angrep was the war, 'I utakt med verden' is conceptually the time after a lost one, where we lick our wounds and count our dead. Slowed down.

Someone said that listening this album was like being trapped under water, and there was no chance to breathe air until the end of it.

Re-issue, 300x sea blue 12" in a microtene innerbag, printed innersleeve, full-color on 220g carton (coated paper); jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag.
