Opis produktu

CD in deluxe Digipak with 12-page booklet.

The black metal crusaders in GOAT TORMENT return with 'Forked Tongues,' their first new album/release in over 6 years.
A blast furnace of primal satanic fury, the album itself delivers a savage onslaught. Ultraheavy darkening passages only serve to temper the relentless blasting speed. 'Forked Tongues' is musical punishment writ large, and sounds as if forged in the crucible of hell.

For fans of DEAD CONGREGATION, MARDUK, DIOCLETIAN, ARCHGOAT, PROFANATICA.
Artwork by Olivier JLW.
