Opis produktu

Repress of the out of print 2nd reformation album, initially released in 2017.

The duo of GODFLESH, Justin K Broadrick and Ben Green, augmented by Machines, are seen as a pivotal entity in the world of 'heavy' music, impacting entire cultures of heavy music since the bands inception in 1988. It is regarded as a cultural icon, and its impact can be felt across generations of 'heavy' music, both mainstream and underground. It is credited as being one of the first bands to cross old British industrial music with down tuned primitive minimal metal, accidentally pioneering the 'industrial metal' sound, yet the band has so much more to offer than what that term displays.

JK Broadrick - Guitar, Voice / Machines

BC Green - Bass

Produced by Justin K Broadrick
