Opis produktu

With their debut album "Reflections", GODTHRYMM have unleashed a colossal slab of heavy, mournful, yet pounding traditional doom that harks back to the classic era of '90s UK doom/Peaceville Records. A massive step up from the debut EP, "Reflections" is the result of Glencross taking GODTHRYMM further into the realm of doom into more darker, melancholic, and towering realms. Through Glencross' soaring passionate vocals complimenting his powerful riffs along with Steels' thunderous percussion giving the GODTHRYMM rhythm section that massive glorious tone, "Reflections" is a testament to the glory days of UK doom while making its statement as a new force of modern day doom metal to behold.
