Opis produktu

Limited edition double Transparent Blue double vinyl

Issued in 2008, GOJIRA's 'The Way of All Flesh' was one of the year's most anticipated records. Shifting ever-so-slightly from the eco-friendly orchestra of impending doom on From Mars To Sirius to the band's new message of the equally uncontrollable inevitability of death, The Way of All Flesh melds the open and airy progressive passages GOJIRA has become famous for with the sonically dense sounds and bludgeoningly heavy rhythms that makes the band an equally intelligent force as it is unmatchably heavy.

Featuring a guest vocal spot on "Adoration For None" from Lamb of God's Randy Blythe .
