Opis produktu

Recorded within less than two weeks at a studio in Wilster, Germany back in 1993, "The Ending Quest" was a bit of a forgotten obscurity until Century Media Records' 2012 anthology "Within the Shadow of Darkness", which also covered all of the band's demo recordings.

Now, the album is made available again as a limited edition Digipak including liner notes by Chris Dick (Decibel Magazine, USA).

A must have for all Swedish death metal connoisseurs!
