Opis produktu

GORGUTS was formed in 1989 by Luc Lemay (vocals and guitar), Sylvain Marcoux (guitar), Éric Giguère (bass guitar) and Stephane Provencher (drums). They released their first demo, ...And Then Comes Lividity, in 1990 which led them to be signed to Roadrunner Records. Their first album, 'Considered Dead', had guest appearances by James Murphy (a guitar solo on "Inoculated Life") and Chris Barnes (backing vocals on "Bodily Corrupted", "Rottenatomy" and "Hematological Allergy »).
