Opis produktu

Originally unleashed in 2001, "Wisdom to Hate" is one of Gorguts' most powerful and commanding releases. This Canadian death-metal titan delivers eight tracks of pure intensity, where crushing riffs, twisted melodies, and relentless technical precision collide to create an unforgettable sonic assault.

Led by mastermind Luc Lemay, the band channels its trademark dissonance into a sharper, more focused form—resulting in an album that is both fiercely aggressive and atmospherically gripping. "Wisdom to Hate" stands as a true essential for anyone seeking extreme death metal with vision, weight, and unstoppable force.

300x marble transparent red/black 12" in a black poly-lined innerbag, printed innersleeve, full-color on 220g carton (coated paper), simple jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag.
