Opis produktu

GRAVE’s “Dominion VIII” and “Burial Ground” were originally released back in 2008 respectively 2010 via Regain Records and have been out of print particularly on vinyl for quite a while. Now, Century Media Records have teamed up with the legendary Swedish death metal act’s mastermind Ola Lindgren (vocals, guitars), who has remastered both records to astonishing results. Especially, “Dominion VIII” now shines with an increased amount of precision and sheer brutality. Both albums feature artwork by longtime collaborator Costin Chioreanu (At The Gates, Arch Enemy), with “Dominion VIII” being re-painted in late 2018 to make it fit better with the group’s recent releases. Both albums are available on 180 gram vinyl (mastered for vinyl by Patrick W. Engel / Temple Of Disharmony), as strictly limited, hand-numbered digipak and on all digital platforms!
