Opis produktu

Hailing from the urban wasteland of Southern California, Gravehill combines death metal sensibilities with thrash metal madness arriving at a sound which can be described as hellish and punishing.

Gravehill's first proper debut album, titled "When All Roads Lead to Hell," is a ten-song journey into the twisted minds of this maniacal bunch. Since their last release on Ibex Moon Records, guitarist Matt Harvey (Exhumed) has joined the band full-time combining more depth and a wall of thick, demented riffing with Mike Abominator's vocal onslaught and Thorgrimm's highly-skilled work behind the kit.

This CD release features a 12-page full-color booklet chocked full of lyrics and some truly killer cover art. Recorded at Trench Studios, WARLth showcases Gravehill at their finest and can easily be described as the proper soundtrack for the journey down to the depths of Hell!
