Opis produktu

Eagerly awaited, Miserere Luminis sees Gris and Sombres Forêts merge for one joint album. Don't see this as a conventional "split" album, but rather as a collaboration between Annatar from Sombres Forêts and Icare and Neptune from Gris, both bands yearning to stray away from their usual register to venture into darker and more tortured paths. Sometimes more atmospheric, sometimes heavier, but always enthralling, Misere Luminis will both surprise and delight fans of the bands.
