Opis produktu

Grole is a black metal settlement from Newfoundland, Canada's uttermost east isolated location. The debut offering from 2020 is now available for the first time on CD. Imbued with the fury of the Atlantic winds and hatred for dense human population. Inspired by the classics of the late eighties / early nineties, Grole offers a raw, violent and putrid journey into the vast mind of a soul that aim to be recluse and rejected. Seven hymns dedicated to isolation and worship of strong nature landscapes of untouched Newfoundland heritage.
