Opis produktu

Crystal clear & black marbled 12" vinyl in deluxe gatefold sleeve with pantone gold print and gloss lamination and double sided insert. Limited to 300 copies worldwide. For over twenty years, the foul French freaks in Gronibard have plied their trade in gross and gratuitous goregrind. With their outrageous new album ‘Regarde Les Hommes Sucer’, the perverts pump out their most flagrant violation of good taste to date. An orgy of nasty riffs, vile vocal discharges, and downright deviant behavior, it excites and delights with its staggering irreverence. 'Regarde les Hommes Sucer' is both indecent and obscene, and Gronibard doesn't give a fuck! For fans of ULTRA VOMIT(early), DEFECAL OF GERBE, BIRDFLESH, MACABRE. Artwork by Mat Cop1.
