Opis produktu

Transparent blue 12" vinyl (33rpm) with red splatters in gatefold with 4-page insert.
Limited to 250 copies worldwide

More aggressive and technically complex than its Swedish counterpart, Floridian death metal grew out of thrash during the mid-1980's and was founded by such as the legendary DEATH, OBITUARY, and MORBID ANGEL.
While many of its early protagonists went on experimental paths, HATE ETERNAL remains true to the original formula, while continuously pushing the boundaries of this extreme style.
HATE ETERNAL's new full-length doubles down on their patented, high-velocity assault of dizzying ferocity combined with wide-range dynamics, outstanding songwriting and skull-crushing brutality.
HATE ETERNAL delivers extreme music at the highest level. There can be no doubt that 'Upon Desolate Sands' will be regarded by many as the best death metal record of 2018!
