Opis produktu

A true legend of Slavonic Black Metal, never being part of the scene, never giving interviews or making photos, the band crafted own name with their extreme individualism and estrangement.
HATE FOREST's music can be described as grim, cold, aggressive and straightforward black metal, mostly very fast with low, distorted vocals and dark ambient elements.
The band's lyrics are heavily influenced by Scythian and Slavic legends, the mythology of H. P. Lovecraft, and the philosophy of Friedrich Nietzsche.

Reprint, 300x black & white swirl 12" (140g) in a microtene innerbag, printed innersleeve, full coloured on 220g, jacket B/W on 350g, all assembled in a PVC overbag.
