Czas wysyłki	3 dni
Producent	Chaos Records

Opis produktu

Recorded in 2016 at home and remixed and remastered during plague summer 2020, Thrinodia, is the first of three full length records by Texas-based Haunter. After four pressings of the original album, Thrinodia is now available again. Revisit the death-metal tinged black metal record updated to deliver a truly powerful sonic experience. This album marks a notable growth from the bands earlier recordings - songs which have stood the test of time as the band has now developed into a more black metal-tinged death metal quartet.

Thrinodia - A Song of Lament. Experience the remixed and remastered album now through Chaos Records.

TRACKLIST:
