#### Havukruunu's debut album HAVULINNAAN reissued in June

**Svart Records** is proud to bring **Havukruunu's** 2015 debut album *HAVULINNAAN* back to the market on June 6th, 2025.

*HAVULINNAAN* is filled to the brim with raw, bleak, unforgiven heavy metal mixed with spells from the very depths of the misty Finnish forests.

Havukruunu's **Stefa** had this to say about the upcoming reissue:

"INTO THE CONIFEROUS CASTLE..... Ten years ago, we didst unleash an abomination of immortal-worship, improvised guitar solos and a first glance of a certain type of spiritual freedom, the very first full-length Havukruunu album *HAVULINNAAN* and thus began our search. Experience our then meandering worry anew, through this humble, slightly remastered reissue through Svart records."

*HAVULINNAAN* is available on Svart exclusive Black & White Marble vinyl, limited Clear & Blue Marble vinyl, classic Black vinyl, CD, and Cassette Tape editions.
