Havukruunu's KELLE SURUT SOI reissued in September

Svart Records continues to re-release the works of **Havukruunu**, bringing their highly sought after 2017 album *KELLE SURUT SOI* back in print in September 2025.

Havukruunu's sophomore album *Kelle surut soi* is known for its immersive atmosphere, evoking imagery of Finnish paganism and nature's force. While rooted in black metal, the album incorporates folk melodies and acoustic elements, adding depth and texture to the sound, yet it doesn't shy away from aggressive, blackened riffs and powerful drumming, providing a satisfyingly heavy experience. The songs are individual journeys, with the album as a whole creating a larger, more impactful experience.

Kelle surut soi is available on Svart exclusive White/Purple marble vinyl, limited Transparent Violet vinyl, classic Black vinyl, CD, and Cassette Tape editions on September 12th, 2025.
