Opis produktu

HAVUKRUUNU Rautaa ja Tulta TAPE , PRE-ORDER [MC]

[Havukruunu's RAUTAA JA TULTA reissued in April](#)

Svart Records continue to reissue the albums of **Havukruunu**, bringing their 2016 album *RAUTAA JA TULTA* back on the market in April 2026.

Originally meant as an EP and recorded before the debut album *HAVULINNAAN* (2015), *RAUTAA JA TULTA* contains four added tracks from later sessions and was expanded into an album.

"Rautaa ja Tulta (SPIRITUAL RESILIENCE AND VIGOR, THE IRON AND FIRE OF THE SOUL) are the first 6 tracks recorded in 2014 which cemented the recognizable soundscapes of Havukruunu. These furious songs broke the recording equipment at the time, and the remaining four songs were finished in a separate session in 2016", comments **Stefa**.

RAUTAA JA TULTA is available now on new limited vinyl colours, housed in a single pocket jacket and comes with an insert. Release date April 24th.
