Opis produktu

Headhunter was founded in 1989 under the name Curse after Schmier was fired from Destruction. They recorded a 6-song demo in 1989/90, all of the tracks later being re-recorded for the "Parody of Life" debut album. They released three albums and toured Germany and Japan before splitting up in the mid-'90s. Years later they reformed and released another album in 2008. 'Parody is Life' was their debut album from 1990 and now re-issued on vicrecords. The line-up was: **Schmier**: Vocals, Bass (**Destruction**), **Jörg Michael**: Drums (**Stratovarius, Running Wild, Rage, Saxon**) and Schmuddel: Guitars (from 80's cult German metal band Talon). **Guest (lead) Guitars Kai Hansen** (Helloween, Gamma Ray, Iron Savior). Engineered, recorded, mixed and produced by **Kalle Trapp** (Blind Guardian, Destruction, Kreator). Produced by Schmuddel & Schmier. Engineered by Piet Sielck (Blind Guardian, Grave Digger, Gamma Ray). LP coming Winter 2023.
