### Opis produktu

Horror-fused Death Metallers HEADS FOR THE DEAD unleashes a fresh stench in the form of a five-track offering inspired by some of the most influential horror/thriller films of our time.

“In The Absence Of Faith” captures a steady throb throughout the entire EP; a somewhat brooding but heavily drenched in an unimaginable consumed darkness. As wretched-sounding as some of the early English Doom greats, “In The Absence Of Faith” still maintains a vigor of high-strung hooks enough to revitalize even the dearest of emaciated corpses.

Recorded, mixed & mastered at Studio Unbound by Jonny Pettersson, with cover artwork conceptualized by Jonny Pettersson and Indonesian illustrator Dedy Badic Art.
