Nine tracks spread over nearly 40 minutes of music, printed as an exclusive 200 copy limited edition (50 black and 150 marble gold/black vinyl)!

To keep everything in its proper zeitgeist, we decided to keep it all as close to the '00 original release as possible, so expect no alternative layout or a fancy digital re-mastering enhancements!
We are thus presenting "Blod og Ild" in its natural form, and this time on the most noble of formats!
