## Opis produktu

CD in Digipak with 16-page booklet.

Ten years have eclipsed since French underground black metal HELL MILITIA released their previous studio album ‘Jacob’s Ladder’.
Since the band regrouped in 2018, the tumult of recent years, the pandemic and real life’s comings-and-goings were perfect ammunition for the creation of ‘Hollow Void’. The resultant album is perhaps HELL MILITIA’s most strident effort to date.
The band’s orthodox, unrelenting approach coalesce into an album that exploits the true nature of black metal: savage, unforgiving, and grim.

For fans of MERRIMACK, GLORIOR BELLI, FUNERAL MIST, OFERMOD.
Cover by Manuel Tinnemans (aka Comaworx).
