Opis produktu

HELTER SKELTER PRODUCTIONS (distributed & marketed by REGAIN RECORDS) is proud to present HELLFIRE DEATHCULT's Ave Mors EP on 12" vinyl format. Released in conjunction with the band's five-year anniversary, Ave Mors was HELLFIRE DEATHCULT's bolt-from-the-blue debut recording, which was originally self-released and now finds its very first release on vinyl format. Right from the very beginning, Ave Mors proved that this power-trio (back then a duo) were a formidable force of overwhelming, world-eating blackgrind, reverently nodding to the likes of Archgoat, Black Witchery, and early Abominator but ably transmitting the band's onstage presence, which they've prolifically pursued every since. Behold barbarity with the long-overdue vinyl edition of HELLFIRE DEATHCULT's Ave Mors!

12" LP version limited to 300 units on black vinyl only!!!!!
