### Opis produktu

#### **PREMIERA 13 MARCA !!!**

From the moment that Hellripper burst into the metal world's simmering consciousness back in 2014, the speed metal throne was destined to be conquered. Containing 8 new songs across 44 minutes, the highly anticipated 4th album "Coronach" reaches new levels of incisive, metallic intensity for the Scottish blackened speed metal threat. Bolder, braver and more adventurous than ever before, Hellripper are built for speed and ablaze with infernal glory! "Coronach" is available as CD, 180g. LP and as Digital Album. Don't miss Hellripper's European headlining tour with Schizophrenia and Sarcator in March/April...All hail the goat!
