Opis produktu

Cult thrash death metal from Florida, USA, recorded at Morrissound Studios with Scott Burns

HELLWITCH was formed in 1984. The band released five demos, several ep's, compilation Cd's and two full lenght albums over the years. Hailing from Florida, the band has (ex) members who played with other legendary Florida bands: Alex Marquez (Solstice), Frank Watkins (Obituary, Gorgoroth), Joe Schnessel (Malevolent Creation), Gabe Lewandovski (Resurrection), but above all fouding member and main songwriter Pat Rainieri on vocals and guitars. Syzygiał Miscreancy is a killer hybrid of early death and thrash metal. Recorded at Morrissound Studios with Scott Burns (Death, Cannibal Corpse, Deicide). Bonus to the album are two soundboard recorded shows, live in Fort Lauderdale, from 2012 &2013.
