Opis produktu

"Awakening" is the third album of Sweden's thrash metal cult band HEXENHAUS, released in 1991, featuring guitar player Mike Wead (King Diamond a.o.), as well as Mezzrow bassist Conny Welen on this album. It is another technical Thrash masterpiece, inspired by bands like Exodus, Megadeth and German act Mekong Delta, who were comparably insane. The album got a great media feedback, but still the band split-up the year after and partly started new under the banner Memento Mori. Now the album is re-released on CD, colored vinyl and digitaly. The physical products also come with new liner-notes, rare fotos and an exclusive history text. All formats got remastered by Ronnie Björnström (Mezzrow a.o.).
