Opis produktu

Gatefold CD

Comes in a 4-panel gatefold sleeve with a 12-page booklet. First batch comes in black polycarbonate CD.

Copenhagen road-warriors **HEXIS** arrive on DMP in fighting form with third full-length **"*Aeternum*"** - merging violent Hardcore, desolate Black Metal, brooding post-Metal, elements of Dark Ambient and the churning ruthlessness of bass-driven Industrial and Grind into the band’s most dynamic, cohesive, cerebral and undoubtedly heaviest record yet.
