Opis produktu

2nd pressing on black vinyl. Comes with a 12-page booklet.

Finland's **Hexvessel** return with their sixth album, *Polar Veil*, a cold, metallic hymn to the Sub Arctic North. Haunted by primal forest spirits, **Mat "Kvohst" McNerney** summons the ghosts of his past in a jaw-dropping, unheard-of rebirth of style and sound. At once unmistakably Hexvessel, *Polar Veil* is also steeped in the nocturnal atmosphere of McNerney's past, churned in the cauldron of Black Metal, Ritual Folk Psychedelia and Doom Rock, and echoing with shivering Gothic undertones. *Polar Veil* features **Ben Chisholm**, main collaborator and multi-instrumentalist with **Chelsea Wolfe** on *Listen To The River*, **Nameless Void** from **Negative Plane**, performing the guitar solo on the song **Ring**, and **Okoi** from **Bölzer** on guest vocals on *Older Than The Gods*. When the components of the medicine are familiar but brewed in a completely novel concoction, the resulting side effects can be deliriously intoxicating. Peer behind this *Polar Veil* for a breath of fresh tundra air.
