- Red with yellow/orange splatter vinyl limited to 200 copies
- Gatefold cover

Released in 2009, *El Rostro de la Muerte* sees Hiram continuing their relentless assault with renewed intensity and razor-sharp precision. Building on the momentum of their comeback years, the band delivers a furious blend of classic crossover thrash and modern aggression, driven by blistering riffs, pummeling rhythms, and Katon W. De Pena's unmistakable, high-energy vocal attack.

With its dark themes and uncompromising speed, *El Rostro de la Muerte* captures Hiram at full throttle — tight, focused, and more ferocious than ever. The album stands as a testament to their enduring legacy, proving that decades into their career, their sound remains as urgent and devastating as in their earliest days.

Now reissued on vinyl, this crushing chapter returns in both standard black and limited color versions — essential for collectors and a perfect way to experience Hiram's modern era at maximum volume.
