- Gatefold cover

Released in 2004, *The New Age of Terror* marked a powerful return for Hiram, reaffirming their place in the thrash metal underground after years of silence. Revitalized yet unmistakably true to their roots, the band delivers a relentless barrage of razor-edged riffs, explosive rhythms, and Katon W. De Pena's signature vocal assault — as fierce and commanding as ever.

Blending old-school intensity with a sharper, modern production, *The New Age of Terror* bridges generations of thrash, capturing both the raw spirit of the '80s and the urgency of a new era. The album stands as a testament to Hiram's enduring energy and influence, proving that their brand of crossover thrash remains as vital and uncompromising as ever.

Now reissued on vinyl, this crushing comeback arrives in both classic black and limited color versions — a must-have for longtime fans and newcomers alike, ready to experience Hiram at full force.
